

MARTIN BROWN – Inspirational Keynote Speaker

Martin Brown delivers business expanding, life-changing, interactive keynotes that inspire change, challenge thinking and accelerate personal and professional growth. He is a master story teller, and Martin has the most amazing story to tell! Nothing is more compelling than a vivid story that reminds us of the incredible human potential.

Martin has developed an amazing global business with great success over the past 15 years, designing and manufacturing custom-built all-terrain power wheelchairs. Thereafter, relying fully on his engineering background, combined with his medical experience, Martin forcefully took charge of circumstances and began to climb the entrepreneurial ladder to become the successful, multi award-winning businessman he is today.

Martin is one of the most powerful inspirational and motivational speakers you will find because he knows how to stir passion, inspire action and genuinely move people to change. It's not about Martin; it's about you, your client and your audience. He's passionate about making a difference and it comes through on and off stage. His commitment is simple: serve you and do whatever it takes to make your event a home run. Martin broke his neck and became paralysed to the C4 level, a quadriplegic, and only able to move his head. With a stick in his mouth he has changed the life of people all around the world.

Martin holds a NTC 5 Mechanical Engineering, NTC Information Technology, Advanced Life Support Paramedic and is currently studying for a B.Com Entrepreneurship. Martin is a well published and interviewed entrepreneur that has even shared his innovative concepts on the world renowned TEDx platform.

His fearless, inspiring and fun approach loosens up your audience, accelerates connection and deepens inspiration because your audience will be both entertained and engaged. He is a global innovator and adversity expert whose concepts on business and disruptive forces of life have changed the views of many a people around the world.
